Institute Details

- **UJJAIN ENGINEERING COLLEGE, UJJAIN** formerly known as Govt. Engineering College, Ujjain was established in 1966 by Govt. of M.P. with a view to improve the technical education in the region of Malwa and in the country as a whole .
- The college was declared autonomous by the state Govt. in the year 1997. Under this arrangement it is governed by a Governing Body, whose Chairman is Honorable minister (Department of Technical Education and Training, Govt. of M.P.) and Secretary is Principal, Engineering College, Ujjain.
- **UEC Ujjain** has been granted academic autonomy by RGTU Bhopal in 2010. Now the institute is having own boards of studies for various disciplines and we have designed our own syllabus suited to current industrial needs. All the valuation work and declaration of results is now exercised at the institute level and therefore UEC Ujjain is now following the academic calendar timely.
- This college has produced quality graduate engineers in different branches of engineering who have been absorbed in almost all the major public sectors and private sectors industries of the country since the students graduation commenced in the year 1971 (first batch).
- The feedback confirms the excellent track record of high organizations. Many of its alumni are rendering their services to countries like USA, UK, Canada, France, Australia etc.
- The all India Council of Technical Education (AICTE) New Delhi has recognized it since its inception as a recognized engineering college with full participation in all the activities of AICTE.

- The institute has strong infrastructural facilities which is coupled with excellent faculty members (mostly PG's and Ph.D's from various I.I.T's and N.I.T's) to support the cause of imparting technical education to budding engineers.
- The Post Graduate courses (running in Civil Engg., Mechanical Engg., and Chemical Engg. departments) and PhD's research work in various departments adds further excellence in inculcating the research environment amongst faculty members and students.
- The college is an object of pride for technical education of Madhya Pradesh.
- The college had been given the grant of around Rs. 5 Crores by World Bank Project (Govt. of India) under Technical Education Quality Improvement Program (T.E.Q.I.P) for the period from 2004 to 2009 which has further strengthened its position in the national scenario.
